Self assessment

Leave technology readiness assessment

Anonymous 5-minute assessment to discover where your company is on the technology disruption spectrum

Take the assessment

Section 1: How much is the status quo costing you?

Employees email in asking things like "Am I eligible for FMLA?" and waits over a day for an answer.

1 - Never, they get instant answers

2 - Rarely happens

3 - Sometimes

4 - Pretty often

5 - This is our normal process

Section 2: Is your organization ready for change?

Section 3: How urgent is change for you?
